### Background

Give2Asia is a U.S. 501(c)(3) nonprofit organization, and Canada 149(1)(f) public foundation, founded by The Asia Foundation to promote charitable giving to Asia. Give2Asia offers donors a wide range of philanthropic services, allowing them to recommend specific organizations for funding, and providing expert research and advice on special giving opportunities in a given country or field of interest. All Give2Asia grants are administered by its parent organization, The Asia Foundation, which maintains seventeen offices throughout Asia and has been a professional grantmaker since 1954. For more information, please visit [www.give2asia.org](http://www.give2asia.org).

“Yellow Sheep River” is a charity program, founded by Town & Talent Technologies Inc. in 2005, to help educational improvement and economic development in western China. Yellow Sheep River achieves its purpose by donating Internet access facilities (computers and communication equipment) to local schools, providing scholarships to students in need, sponsoring community exchange, and providing an e-business like Internet service for the benefactors and the beneficiaries. Since 2005, Tianjin TEDA Community Servers Volunteers’ Association has been working with Town & Talent Technologies to expand the outreach of this program.
